Just a quick reminder for all returning families to return their NCHS registration forms to Central Office. This information is important to us as we begin planning for the new school year.

NCHS Home and School Spring Plant Sale

Newman Catholic High School's Home & School is again going to have the Spring Plant Sale to raise money to provide scholarships for Newman students.

JW Perry will be providing us with the plants again and for those who ordered last year you know the plants were gorgeous. They are located in Merrill, Wisconsin. They will have been grown in a regulated environment and the first time they are shipped is to Newman for pick up.

Look for information to be mailed or available on the Newman Catholic Schools website late March. Orders will be due mid to late April and available for pick up mid May. Please support this fundraiser that provides for student scholarships and many other school related needs.

Summer Enrichment Grant Applications

Summer enrichment grant applications are available in the registrar's office. These grants are used to offset academic related summer activities. If you have any questions, please contact Mr. Theiss.

Applications are available in the NCHS Registrar's Office. The application is due back to Mrs. Lambrecht by Friday, March 26, 2010.

Saturday ACT Test Prep Sessions

Science Session March 13
Math Session March 20

All sessions are from 9:00 am - noon in room 101 (Sewing room). All sessions are FREE!!! We recognize that some regional and state tournament games are scheduled on these Saturdays. If Newman is playing in a state championship game, the prep session will be cancelled for that weekend.

The prep sessions are taught by Mr. Theiss and Mrs. Raddatz. Registration materials will be coming out as we get closer to the first session.

St. Matthew Soup Supper

Every Wednesday during Lent, St. Matthew hosts its annual Lenten Soup Suppers. The meals are served from 4:15pm until 6:30pm. A portion of the proceeds will go to support NCHS Scholarships.
