Tuition Agreement and Payment Schedule Effective 2007-2008 School Year

This application is for the entire SCHOOL year. A \$30.00 non-refundable registration fee is to be paid with the child's application. A child is not considered registered until this fee is paid.

IMPORTANT:

Tuition is not reduced because of vacation, scheduled holidays, illness, school days off or absence. Charges for regularly scheduled care remain the same each week. Your schedule is what determines the weekly rate of tuition. This becomes your set rate of tuition. Parents will be charged for 'no show' days that were previously scheduled. No allowance is made for make up days. I understand fees are due each Friday for the upcoming week. A late fee of \$2.00 per day is assessed for tuition that is not received by the center on the due date (preceding Friday). I understand that if tuition is delinquent, and an acceptable alternative arrangement has not been approved by NCS, my child(ren) will face possible suspension from attendance at the center. The school system reserves the right to pursue legal recourse for non-payment of tuition and fees.

Before School & After School Programs: one hour minimum billed per day. You are financially responsible for the time you have contracted for, not your child's actual attendance.

I choose and will adhere to the following **payment plan** (select one)

_____ **Monthly** – Tuition is due **before** the first of each month.

_____ **Weekly** – Tuition is due the **Friday** before the week of attendance.

Selecting alternative options for child care (listed below) serves as an indicator to us that you are interested in these services. This does not automatically enroll your child for those options. In order for your child to be withdrawn from the program, a one week written notice is to be given to the Site Director
