

## Questions ???

- Q: I have already paid for tuition this year. Will my purchases earn tuition rebate for next year? **YES!**
- A: Credit is accumulated through purchases made between April 1 thru March 31st. Credits are calculated and reported to NCS Business Office and then deducted from your final statement. Your credit may also go into a "prepaid tuition" account for the following year.
- Q: Can anyone purchase Scrip and credit my family account? **YES!**
- A: Please inform the Scrip office with tuition account holder's name. You may also donate it back to Newman Catholic Schools or any of our Parishes, as credit toward parish support of NCS.
- Q: How much tuition rebate can you earn and is it worth it? **YES!**
- A: The amount of credit is unlimited. Your credit generally equals approximately 1.5-2% of your gross total of Scrip purchased.
- Q: Can I start a Scrip account before my child attends Newman Catholic Schools? **YES!**
- A: You may begin using Scrip as early as two years before your child is in school. Your credit will be saved in a "prepaid tuition" account in your name. Please notify Scrip office.

# Introducing.....Scrip Fundraising \$\$\$

Tired of selling pizza, candy bars, and magazine subscriptions?

**Then Scrip is for you!**

**Scrip** is a nationally recognized fundraising program. Retailers sell gift certificates and gift cards to NCS Scrip program at a discount. NCS Scrip program sells the gift cards at full face value. The families redeem the gift cards at full face value, and the discount is retained by Newman Catholic Schools, of which a portion is offered as a tuition rebate.

**Scrip can be used for everyday expenses like:**

- Groceries
- Gasoline
- Clothing
- Restaurants
- Household Needs

Scrip is offered by hundreds of local and national retailers ~ where most of you already shop.

With every purchase, you earn **revenue** for Newman Catholic Schools and **reduce your tuition bill.**

## How does it work?

Newman Catholic Schools purchases gift certificates and gift cards from a national merchant, Great Lakes Scrip Center and local merchants.

**The profit is divided 60 / 40, as an incentive for families to use the program.**

- ♦ 40% is made available to assist in payment of NCS tuition. Rebate credits are issued annually in April
- ♦ 40% as NCS system-wide fundraiser to support programming throughout the entire NCS school system
- ♦ 20% administrative cost to cover the expenses of the program
