Each child is encouraged to bring a **child size** blanket for quiet time. If a larger one is provided, you will be asked to take it home and replace it with a smaller one. The cubbies in the hallway do not provide enough storage space to accommodate a large blanket.

Each child **must** bring a complete change of clothing: socks, undergarments, shirt, pants, and shoes. You never know when a child's clothes will become soiled. Please check your child's cubbies to make sure they have weather appropriate clothing and appropriate sizes.

**Please keep in mind, we always welcome donations of clothing that your child may have out grown to put in our extra clothes bin. Snow pants, mittens, hats, and boots are also great donations for children who may be in need of them during the day.**
