

**Newman Catholic Elementary School – Rothschild – Special Education Profile**

**I. Methods of instruction that will be used by the school to provide special education and related services to SNSP students.**

Newman Catholic Elementary School St. Mark (NCES St. Mark) will provide students with support to reinforce academic concepts taught as a part of the regular education curriculum. An Intervention team, which may include the student, parent or guardian, classroom teacher(s), Interventionist, Dean of Students, administrator, and school counselor, will meet to review the student's most current Individual Service Plan (ISP) or Individualized Education Plan (IEP). The team will develop accommodations to create an updated ISP that is the NCES St. Mark student plan. Examples of accommodations may include small-group or one-on-one skill development, re-teaching, reinforcement of skills or work on specific learning gaps that have been identified as significant through testing (standardized or other). It may also include; assistance with homework, providing notes, pre-teaching, preferential seating, and/or individual assessment and homework options. Students with a medical or other specific diagnosis that do not require an ISP are assigned a specific Tier in our Response to Intervention (RtI) Program. The Intervention Team also makes recommendations for testing and works with local public school districts and other professional organizations to develop appropriate goals for the student. Currently, some special education services are provided by the local Public School District. SNSP students will be held to NCES St. Mark standards and policies as stated in each school handbook.

Newman Catholic Elementary School St. Mark (Pre-K4, K-5) is wheelchair accessible.
