We understand that Clorox wipes are hard to find during this time, as we are struggling to find them as well. Any donations of Clorox Wipes would be appreciated.

If you already have a shoe box container for your child(ren) you do NOT need to bring another one. *Only needed for new students. If your child already has these items, they will move with them to the next classroom.

Each child is encouraged to bring one **child size (labeled with your child's name)** blanket for quiet time. If a larger one is provided, or more than one, you will be asked to take it home and replace it with a smaller one. The cubbies in the hallway do not provide enough storage space to accommodate more than one blanket or a large blanket. As a reminder due to the pandemic, no toys, pillows or stuffed animals will be allowed into the center.

Each child **must** bring a complete change of clothing: socks, undergarments, shirt, pants, and shoes. Please check your child's cubbies to make sure they have weather appropriate clothing and appropriate sizes. **Label all items. Please remember to return all NCECC-St. Therese clothing to the center.**

We always welcome donations of clothing, which your child may have out grown to put in our extra clothes bin. Snow pants, mittens, hats, and boots are also great donations for children who may be in need of them during the day. Always accepting plastic bags throughout the year.
