Family food service accounts are required to have a PREPAID balance at all times. A la carte purchases will not be allowed on any account with a balance due.

We encourage families to sign up for electronic Low Balance Alerts through Skyward or auto pay on e-funds to avoid food service accounts falling below \$10.

Skyward also allows families to view purchases and their account balance daily to assist with payment budgeting. It is the family's responsibility to monitor their food service account balance regularly and maintain a prepaid balance at all times. If you are having trouble signing up for low balance alerts, call the Food Service Coordinator at 715-845-5735.
