

## **NCS ATHLETIC BOOSTER CLUB MEETING MINUTES**

### **March 7<sup>th</sup>, 2018**

President Mike Nowinsky called the February 7<sup>th</sup>, 2018 NCS Athletic Booster Club meeting to order at 6:31 p.m. Members present included:

Ken Teeters      Jerry Bates      Marty Krach      Kim Buntin  
Andy Cummings Al Romportl      Mike Nowinsky      Shawn Buntin

MJN opened the meeting with a prayer.

#### **FINANCIAL REPORT (MJN)**

MJN went through a quick review of the financials

We also reviewed a deposit report from the Athletic Office. The only question we had is that it looks like some Aluminum Can deposits are missing from late fall and early winter. MJN will research with the Athletic Office.

The BC's Investment account was officially funded, and we will provide a quarterly status report when they are available from Peoples Bank.

#### **CONCESSIONS (Al Romportl)**

The basketball concession season was wrapped up in February. We wanted to note that our new concession notification system, seem to help administratively, but we still had a number of folks not show up for shifts that they committed to. This continues to be an issue, but we always seem to have some people try and pick up the slack, which we are truly grateful for.

Also thanks to Peggy Johnson for the many ways she continues to help the BC out with the Concessions. Our Booster Club End of Year picnic will be held on Wednesday, May 2<sup>nd</sup> – more details at the April meeting

The next concession events will be for Track:

Middle School Track – May 9<sup>th</sup> – 8 Volunteers Needed

Regional Track Meet – May 21<sup>st</sup> - 8 Volunteers Needed

#### **ALUMINUM CAN RECYCLING (MJN)**

Last can deposit was made on 2/1/18.

The can trailer has the bungy cord net installed and is available for any volunteer with a trailer hitch to take the cans in to the Alter (old Wausau) Steel location. It should be noted that when taking the cans in, the bags will need to be emptied, so we wanted to all to know that this sometimes can take up to an hour to accomplish, but the more hands helping, the faster it goes!

#### **FACILITIES UPDATE (MJN)**

Steve Jankowski mentioned that Dave Guld might be able to help with the repair of the Balliet Field scoreboard. Steve will have Dave contact Mr. Michlig.

#### **CARDINAL CARD (MJN)**

Deposits show that we had another successful Cardinal Card fundraiser with nearly \$2,500 raised this year. We are looking for a volunteer to take over Cardinal Card duties. Shannon Simmons has graciously done this for a number of years, and decided that 2018 would be her last year. She will be available to help the new volunteer get started with the task.

## NEW BUSINESS

### **EQUIPMENT UPDATE (MJN)**

Discussions have taken place the past couple months on planning to increase our yearly budget by 2% to account for the potential of rising uniform and equipment costs. I don't believe this has been recorded in the notes, and wanted to make sure this was published. The BC will continue to review the Athletic Budget in the fall, and approve via a vote.

### **CABIN FEVER UPDATE (MJN)**

The majority of the Cabin Fever Committee in place from last year, but are looking for additional people to start helping/learning some of the tasks where current senior parents have been volunteering their time for years. Please feel free to reach out to MJN if you are interested in getting an invite to a CF planning meeting. The next meeting is scheduled for 30 minutes on April 4<sup>th</sup> before the Booster Club meeting. If you have availability the weekend of April 6<sup>th</sup> please sign-up for any of our volunteer slots to work, provide a dessert for the event, or feel free to chip in with a donation to the Cabin Fever Spirit Wagon. Again please contact MJN for any questions.

### **BC FACEBOOK PAGE (MJN)**

Please feel free to send anything you would like considered to be posted there to Mike Nowinsky or Jill Mabry. The Facebook page is also the responsibility of the Booster Club, so please direct any questions regarding content to Mike Nowinsky.

### **BC FUNDS REQUESTS (MJN)**

We have number of student athletes and coaches that have been recognized and asked to participate in All-Star games. In the past the Booster Club has donated \$250 to each athlete/coach. The list will be reviewed in April for official BC fund approval.

### **ANNOUNCEMENTS (MJN)**

The 7<sup>th</sup> grade boys basketball team and coaches sent an email thanking the Booster Club for our help with tournament funds.

Marty Krach proposed a potential fund raising opportunity to see if we could sell advertising banners in the NC gym in the large glass window areas above the bleachers. Central Office will need to be consulted to see if this is an option

Motion to adjourn by Marty Krach and seconded by Andy Cummings.

Meeting adjourned at 7:05 PM.

Respectfully submitted,

*Michael J. Nowinsky*
