#### **FINANCIAL REPORT** (*Randy Gabriel*)

Randy Gabriel provided a brief update on the current cash balance. We received our first statement for our BC investment account and are currently down 2% due to fluctuations in market.

#### **CONCESSIONS** (*Al Romportl*)

No new concession sales to report since last meeting. We are preparing for the spring cookouts in early May and need to have 7-10 volunteers for these events to ensure smooth operations. The dates for spring cookouts are May 2<sup>nd</sup> (Spring Sports Cookout), May 4<sup>th</sup> (Middle School Track Meet) and lastly on May 21<sup>st</sup> (Regional Track Meet).

#### **ALUMINUM CAN RECYCLING**

Last trip to bring cans in brought in \$168.00 for the Booster Club. There is now a rubberized net on the cage for safety in transporting cans. FYI when dropping the cans off, you will need to empty the bags yourselves and expect to take around 1-2 hours depending on help you bring with. Idea was brought up in sharing revenue with specific sports for a calendar year based on who takes the initiative to take the cans in. Please advise if you are willing to help with this task.

#### **FACILITIES UPDATE** (*MJN*)

We are looking to fix the Balliet Field Scoreboard as there are problems with the board functioning correctly. David Guld has volunteered to look at it before we bring in a company to look at the scoreboard.

#### **CARDINAL CARD** (*MJN*)

Shannon Simmons will not be doing the Cardinal Card anymore for us after doing it for so many years. We are looking for someone to take this up, if interested please contact Mike Nowinsky if interested! This is a great way for us to fundraise for our students!

#### **CABIN FEVER UPDATE** (*MJN*)

Is coming up this Saturday! Move in will start around noon on Friday. Sponsorships are right on track from last year however donations are slightly down from last year. Ticket sales are approximately the same from the last cabin fever also.

## **NEW BUSINESS**

### **EQUIPMENT UPDATE (MJN)**

For the 2019 season, the softball team will need a new pitching machine and this will be in the budget for next year. Volleyball and Football teams are next up in the uniform rotation, uniforms for both the middle school and high school teams will be evaluated.

### **10,000 SHOT PROGRAM (MJN)**

There has been a proposal from the middle school basketball coaches to implement a 10,000 shot club/program. They would be looking for the Booster Club to help with purchase of T-Shirts for athletes that meet the requirements.

### **BC FACEBOOK PAGE (MJN)**

The Facebook page is something that is taken care of on a voluntary basis, so please feel free to send anything you would like considered to be posted there to Mike Nowinsky or Jill Mabry. The Facebook page is also the responsibility of the Booster Club, so please direct any questions regarding content to Mike Nowinsky or Jill Mabry. The likes keep climbing, so our messages are getting out to a larger base!

### **BC ELECTION REMINDER (MJN)**

Elections will be held for Vice-President and Secretary at the May Booster Club meeting. If you, or anyone else you may know are interested in these positions, please contact either Mike Nowinsky, Randy Gabriel or Al Romportl.

### **ALL-STAR GAME NOMINATIONS (MJN)**

There are five total nominations for our student-athletes who made All Star Games. Marshall Hackel, Jeremy Damask, Jordan Buntin and HC Paul Michlig were all selected for the WFCA 8 Man All Star Game. Signe Fronck was selected to participate in the WBCA All Star Game and the Booster Club will donate \$250.00 to all coaches and players participating this year.

### **ATHLETIC PROGRAMS (MB)**

Mike Bandoch has started to work on next year's program, if you would like to be a sponsor please contact him!!

### **POY BANNER (MJN)**

Newman Alumni Mariah Whalen received the Gatorade Player of the Year while at Newman Catholic. We would like to honor this achievement in the form of a banner we can hang in the gym. Shawn Sullivan recommended contacting NTC, they have their own print shop that would be capable to handle this for us.
