

## NEWMAN CATHOLIC SCHOOLS 2020-2021 FOOD SERVICE OPT OUT FORM

All NCS students are assigned a Food Service PIN number, allowing them to purchase lunch and a la carte items (middle and high school students only) in our cafeterias. If you do not want your child to have the ability to purchase lunch in our cafeterias, please complete and return this form to the NCS central office.

**For parents of middle and high school students:** Middle and high school students have the ability to purchase a la carte items during lunch time. A la carte items include cookies, chips, muffins, juices, seconds on main entrée, etc. A la carte pricing also applies to lunches that do not qualify for the \$3.35 unit lunch price. All of our lunches include five components: meat/meat alternative, bread/grains, fruit, vegetable, and milk. Per USDA regulations, in order to qualify for the \$3.35 unit lunch price, students must select a fruit or vegetable and at least two other components. If your child selects a lunch in the cafeteria that does not meet this requirement, the selected items are considered a la carte items and your child will be charged individually for each item.

If you do not want your child to have the ability to purchase a la carte items, please complete and return this form to your child’s school or the NCS central office. This would prevent your child from purchasing cookies, chips, seconds on the main entrée, etc. It would also prevent your child from selecting a lunch that does not meet the \$3.35 unit price requirements as described above.
